Dear Eli Yudkevich,

Thank you so much for being a presenter at the LSP21 Virtual Event. We sincerely appreciate that you so generously shared your time and expertise with the attendees. We are grateful for the impressive array of industry leaders and content experts whose participation made this event a success.

If you would like to share session content with any of your colleagues who couldn't attend the LSP21 Virtual Event, most of the sessions were recorded and will be available on our website in mid-January.

This was our first time hosting an international virtual event of this scope. We anticipated and experienced a few glitches as we navigated the two-day event. We are already working on how to make the event even better next year. If you have any specific feedback for us, you may respond to the event survey that was emailed December 3rd or share it with us directly.

Again, our sincere thanks to you and best wishes for a wonderful holiday season.

Sincerely,

Jeff Dulaney, Founder and CEO
